

BOUGAINVILLEA BEACH RESORT PACK FOR A PURPOSE PROGRAMME

BARBADOS – January 7, 2015 – BOUGAINVILLEA BEACH RESORT was proud to donate our first Pack for a Purpose package yesterday. Since July 2014 Bougainvillea Beach Resort has been a part of this wonderful programme that encourages guests to save a little space in their suitcases for school supplies and other items for children in need. We are so grateful for all of the kind donations.

Donna Russell of Variety the Children's Charity of Barbados, the facilitators of the donations, mentioned that it was the largest package they have received. Ms. Russell was also impressed with the number of high quality school supplies mentioning that the donation will help many students going back to school this week.

Variety the Children's Charity of Barbados, is dedicated to improving the lives of children who are mentally, physically or socially disadvantaged. Your trip can make a positive lasting impact on these children and their families. If you are interested in learning more about this charity please [click here](#).
